## Understanding your Voter's Registration Card

Once your voter's registration application is approved, your precinct card will be sent to you by mail. Your name and address will appear on your card as they are listed in our files. If this information is incorrect, please notify our office at the telephone number and address on the left of the precinct card.

The precinct card lists the name of your precinct and address of your polling place. It also lists the Congressional, state legislative, county commission, county board of education, and municipal districts (if any) in which you reside and are eligible to vote. It is not necessary for you to reregister to vote unless you change your name or move from the address shown on the precinct card.

- **If you move within your county**, you complete the card on the back of the precinct card or complete a new voter's registration application, and send it to our office.
- **If you move to another county**, or if your name changes, you must reregister using a new voter registration application.
- **If your name changes**, you must reregister using a new voter registration application.

## How to locate your precinct

Only Municipal Elections (elections in which the Offices of Mayor and/or Council and/or a city referendum is placed on the ballot.) are held at City Hall.

**Please report to the precinct below for municipal general, special, and/or runoffs elections ONLY:**

**City Hall Precinct  
6690 Church Street  
Riverdale, Georgia  
(770)997-8989**

All other elections are administered through the Clayton County Board of Elections and Registration. During county/state/federal elections Riverdale residents are strongly encouraged to examine their voter registration cards prior to Election Day for precinct information. Close attention should be paid to the precinct name which can be found in the upper left hand corner of the voter registration card. If two (2) locations are listed on your cards, the precinct that you should report to is based on the type of election that is being conducted.
